SIR,

With reference to Government Pro: No.Fl:6813-4Gl:Fin: 525-03 of the 12th April '05 asking me to have the third Edition of Mysore Service Regulations printed early and instructing the Superintendent of the Government Press to attend to this work forthwith, I have the honour to forward for information and orders of Government copy of docket No.936 of the 26th idem from the Superintendent of Government Press stating that as he has on hand several book works requiring prompt attention, it would be better to entrust the work in question to a Private Press so as to secure expeditious outturn. Should the Government decide on having the work printed by a private press, an estimate of the cost will be obtained from a competent press and submitted for orders. But I do not think that this should be done. In view of this delay in printing, I have sent the latest corrections to press to be issued as a new aggenda.

The favour of an early reply is requested.

I have the honor to be,

Sir,

Your most obedient servant,

N G Basu
